

EZEKIEL DUKE BOWER

I'm a multidisciplinary designer passionate about creating work that connects people through visual story telling. My drive is fueled by culture, progress, and diverse perspectives. Every solution is crafted through meticulous research and empathy. I believe great design should be as meaningful as it is functional.

EXPERIENCE

DEC 2023 -
JUN 2024

INTERN

Oblique Design

Design responsibilities included presentations, wire-framing, custom iconography, animating logos, identity systems, writing blogs packaging and actively participated in client briefings/consultations.

JUL 2018-
CURRENT

FREELANCE

Charlie Mayne (Recording Artist)

Responsibilities consist of designing various promotional assets for merchandise, album covers, posters, visualizers and more.
